

# Tour 10 - Bethel Loop - 78.5 miles

Visit the pretty village of Bethel, base for past Maine Bike Rallies and a major center for winter sport activities.

This advanced excursion tackles Evans Notch, a winding mountain road with copious tree canopies. Much of the ride is on Route 113, which dances between Maine and New Hampshire.

Return route follows Route 5, as it twists and turns, threading its way past hills and lakes.
