Buxton Metric Century Challenge

Saturday, September 26
Buxton Metric Century challenge starts at the Hannaford's in Westbrook at 8:00 AM. There will be two segment loops from the same location, so you can choose the miles with want to ride: 34.8 miles, 37.8 miles, or both for a total of 72.6 miles. The tougher ride, with higher elevation gain, will depart at 8 am. The second leg will depart at 11:30 am, making it easier to finish up the 72.6 miles with the easier loop last. This will give us 3-1/2 hours to do the first loop, with a break before the second loop. We should finish up between 2 and 3 pm. You can choose to do one or the other, or both.

First loop (36.3 miles)... https://ridewithgps.com/routes/31305402
Second loop (33.3 miles)... https://ridewithgps.com/routes/31305104

Only two legs of the three leg challenge will be done this year due to time constraints. Hence, the Buxton Century Challenge has been renamed the Buxton Metric Century Challenge for this year.

(Note: This ride replaces our normal Falmouth ride).

**STANDISH KIWANIS CLUB BIKE RODEO**

*September 26, 2020 @ 9:00 am – 11:30 am*

Every year for the last 20 plus years, the Kiwanis Club of Standish has conducted a bike rodeo. They also have been sending out flyers promoting bike helmet law and bike/skateboard safety to every student from Kindergarten to Fifth grade every year. The event is usually held in May but it was moved to September due to school being closed. The event will be held from 9am to 11:30 am at Bonny Eagle Middle School on Saturday, September 26th, rain or shine. Children can participate in a bike safety course or they can just come get a helmet. Any student who participates in a free lunch program can get a helmet for free and everyone else is encouraged to make a $5 donation for a helmet.

**Monday Morning rides**
